

CAD Drafter:

Growing Design-Build firm specializing in Casino, Hospitality, Food & Beverage, and Retail industries, looking for a full-time Architectural Revit Drafter to join our team. Position includes the ability to work with a team of people who are creating extraordinary customer environments using innovative methods that help to change unnecessarily long construction timeframes. We offer excellent benefits, opportunities for promotion, and bonuses for outstanding performance. Starting wage \$75,000 - \$90,000 with the possibility to earn significant bonuses beyond this based on performance (We hope you do!) Job qualification will be based on Architectural Drafting and Revit experience and proficiency, including knowledge and experience in creating Architectural Construction Documents for commercial/retail construction and remodel projects. Applicants should be willing to meet at I-5 Design in Lacey, Washington or via video conference for an interview.

COMPENSATION:

- **Base salary \$75,000 - \$90,000**
- Cash bonuses in addition to base salaries based on project performance
- Medical / Dental / Vision / Life Insurance
- 401K

TYPICAL DUTIES AND RESPONSIBILITIES:

- Work with in-house Architectural team to create Architectural Construction Documents in Revit for Casino, Hospitality, and Food & Beverage projects.
- Revit drafting of construction details, sections, floor plans, ceiling plans, schedules, etc. as required for Architectural Construction Documents.

COMPETENCIES

- Minimum 3 years experience creating Construction Documents using BIM/Revit software
- Strong knowledge of Architectural Construction Documents process
- Software Requirements: Proficiency in Autodesk Revit; experience/working knowledge of Sketchup is a plus
- Portfolio of previous work
