

TRAVELING CONSTRUCTION FOREMAN

Growing Design-Build firm specializing in Casino, Hospitality, Food & Beverage, and Retail industries, looking for a construction foreman to join our team. Position includes the ability to work with a team of people who are creating innovative, compelling retail environments using state of the art construction methods. We offer excellent benefits, opportunities for promotion, and bonuses for outstanding performance. Starting wage is \$80,000 - \$90,000 with the ability to earn performance-based bonuses beyond this (We hope you do!). All of our current foremen earn more than this.

ESSENTIAL JOB DUTIES AND RESPONSIBILITIES:

- Work with Superintendent to direct and oversee subcontractors
- Perform miscellaneous construction-related tasks
- Coordinate and manage schedule with superintendent
- Manage and oversee jobsite during Superintendent's absence
- Participate in project debriefs with project management. Share knowledge gained from each project to be applied to future installations

REQUIREMENTS:

- Has experience as a qualified and competent tradesperson
- I-5's projects are performed throughout the US. Candidates should have the ability and desire to travel as required to perform work on projects throughout the US.
- Effectively communicate orally and in writing, with good comprehension
- Apply good problem solving and conflict resolution skills
- Should be ready to take on new challenges and willing to learn
- Helpful / Not Required: Bilingual (English & Spanish)

COMPENSATION:

- **Base salary \$80,000 - \$90,000 per year**
- Cash bonuses in addition to base salaries based on project performance
- Medical / Dental / Vision / Life Insurance
- 401K
